N/A, Redwood City,

Spanish Colonial architecture and designer updates at this Redwood City home offer a rare balance of character, craftsmanship, & modern comfort. Flagstone & pebble-stone paths cross a landscaped yard to a welcoming entry. From the entry hardwood floors stretch into the living room where a skylight & French doors frame backyard redwood views. The open kitchen is refined yet practical with a Bertazzoni range framed by custom cabinetry and thoughtfully selected finishes. The dining room with pitched ceilings and bay window adds warmth and architectural interest. The backyard wraps around a lawn anchored by redwoods with a flagstone path leading to the detached garage. Set apart from the living areas are two bedrooms incl. a spacious primary with fireplace and closet with built-ins, plus a secondary bedroom with cedar-lined walk-in closet. The bathroom blends vintage character and modern style with a custom vanity and walk-in shower with skylight overhead. Located in a tree-lined neighborhood just blocks from Red Morton Park and a mile to downtown Redwood City, you will enjoy convenient access to Caltrain, restaurants, and community events. Easy connections to CA-92, US-101, and I-280 make commuting straightforward, with San Francisco and San Jose both comfortably within reach.
