Scandi Style in Woodside Plaza. Like a warm hug from your oldest friend, 2614 Ohio is simply...home. With its crisp white walls, light wood details and layered, natural textures, the "Scandi" aesthetic combines simplicity, minimalism and functionality with comfort and intentional coziness. Custom exterior details include board and batten siding, portico entry, knotted elm "wash door" style entry door and rain chains. The remodeled interior of this three bedroom, two bath home is light, open and airy, with matching sliding doors out to the backyard and new blonde LVP flooring. The all-white kitchen has quartz countertops, stainless appliances and gleaming copper hardware, with casual seating at a long peninsula. Custom interior details include tray ceilings, shiplap accent walls, open shelving and woven basket lighting. The restful and private primary suite has plantation shutters, a large walk-in closet, and a bathroom with double sinks. An interior laundry room adds convenience and storage. Daily life is as much outdoors as in: fresh herbs picked from the garden, large front and back lawn areas for soccer and cartwheels, basketball and scootering in the deep front driveway, and every fence and path a creative canvas for colorful chalk scribbles and games of tic tac toe.
