

\$18,250,000 - 5631 El Camino Del Norte, Rancho Santa Fe

MLS® #NDP2501952

\$18,250,000

6 Bedroom, 11.00 Bathroom, 9,383 sqft
Residential on 9 Acres

N/A, Rancho Santa Fe,

An unparalleled offering in the heart of Rancho Santa Feâ€™s coveted Covenant, this is one of Southern Californiaâ€™s premier equestrian properties and custom-designed estates, blending timeless European artistry with state-of-the-art amenities across 9.22 rare acres. Beyond the gates, lush landscaping leads to a world-class equestrian haven. The 8-stall barn spans approximately 4,654 sq ft, featuring custom ironwork, a gourmet kitchen, caretakerâ€™s apartment, and 3-car garage. The property includes a riding arena, round pen, four-horse walker, and direct access to the Covenant trail system. A circular motor court with a bubbling fountain and antique Belgian church windows welcomes you to the 8,200 sq ft single-story main residence with four luxurious bedroom suites and a 4-car garage. The separate 1,183 sq ft guest house offers two suites, a full chefâ€™s kitchen, living room, powder room, and 1-car garage. Every inch of the fresco design exudes authenticity and artistry â€” walnut hardwood flooring with intricate parquet and herringbone patterns, hand-carved woodwork, authentic hand-hewn beams, custom brick ceilings, and imported Turkish stonework. The kitchen, featuring a La Cornue range and top-tier appliances, flows into a great room with a retractable glass wall opening to a heated outdoor living/dining loggia. Resort-style amenities include a vanishing-edge Sukabumi lava-tiled pool with underwater speakers, spa, fire pit, and a full outdoor kitchen with a pizza

oven. The primary suite offers his and her custom detailed dressing rooms and bath, while additional spaces include two offices, a professional gym, and a theater/game room with a full bar. The 9"-thick concrete wine vault even offers a viewing window into the pool. Outdoor recreation abounds with a bocce ball court, horseshoe pit, pickleball court, and multiple outdoor kitchens and fire pits. Thoughtful infrastructure includes central vacuum, natural gas, sewer, high-speed fiber, 800-amp electrical, commercial-grade irrigation, a well with water filtration, whole-house generator, and solar for the pool and home electricity. A legacy estate and lifestyle opportunity reserved for a select few, this property is not just a home – it's a statement of achievement, passion, and vision. A true masterpiece designed to be cherished for generations to come. Experience life and luxury without compromise

Built in 2021
