Residential on 2 Acres

N/A, Valley Center,

Cheerful, bright and fresh, this charming single-story ranch home has so much to offer. Located on a beautiful country road with tons of gorgeous sky, views of the nearby mountains and lovely, mature trees. The home sits at the end of a long, private driveway through your own 2 acres of mostly flat land. The shaded front porch welcomes you home and as you step inside, the newer paint and flooring create a soft, soothing palate. The massive great room is adjacent to the kitchen and the layout gives a lot of options for how to use this beautiful space. There is a lovely view out all the windows, and a stone fireplace is the perfect compliment to creating a cozy and relaxing environment. The kitchen offers newer appliances, freshly painted cabinets and updated counter tops. The corner sink has views to the front through the side by side windows, reminding you of your beautiful surroundings. Three bedrooms at the other end of the house offer privacy with a spacious Primary Suite being the ultimate retreat. The two-acres are mostly flat and almost completely fenced and includes a barn mostly used for storage but could be updated to house two horse. Additional storage can be found in the attached two-car garage, and there is leased solar for energy efficiency.

Built in 1995
