Vaulted ceilings and skylights on the main level fill the home with natural light, while multiple living and dining areas offer plenty of room to relax and gather. The kitchen offers functional flow with a center island, newer refrigerator, and a generous walk-in pantry. The spacious living room features a cozy fireplace, and the adjacent family room provides even more flexibility for everyday living or entertaining. Down the hall, you'll find three additional bedrooms and a full bathroom with dual sinks. This home features both visible upgrades and important behind-the-scenes improvements. The home has been fully re-piped with PEX piping, offering long-term reliability and peace of mind. Other highlights include window shutters, a new water heater, Samsung washer and dryer with pedestals, a smart thermostat, and an early-alert leak detection

system. Leased solar panels help reduce energy bills, so you can comfortably run the A/C all summer long. Tech upgrades include a Ring doorbell camera, smart front door lock with phone alerts, a side gate security camera, and a pre-installed ADT home security system.

With low-maintenance landscaping, added pavers, and a mature lemon tree, itâ€™s designed for easy living.
