Beautifully Renovated Single-Story Home on a Quiet Cul-de-Sac** Every detail of this stunning residence has been thoughtfully upgraded to create a modern, turnkey home.

The brand-new designer kitchen features custom white oak cabinetry, handcrafted Zellige tile backsplash, quartz countertops with a waterfall peninsula, and new stainless range and dishwasher. Both the guest bath and en-suite primary bath have been fully reimagined with sleek finishes and fixtures.

Throughout the home, you'll find all new Delta plumbing fixtures, West Elm lighting, interior doors, trim, and baseboards, along with new luxury vinyl plank flooring. The primary suite opens through new French doors to a large covered back patio—private and perfect for outdoor dining, lounging, or entertaining guests. The entry is equally impressive, with a solid mahogany front door with sidelight. Major system upgrades include a new HVAC system with central A/C, 200-amp EV-ready electrical panel, recessed lighting, and a new garage door. Fresh interior and exterior paint, new hardware and lock sets, and professional landscaping with timed irrigation complete the transformation. For added peace of mind, the roof and windows are less than 5 years old. No HOA or Mello Roos.
