Residential on 0 Acres

N/A, Escondido,

Welcome to Le Chateau. This home is absolutely beautiful—light-filled, thoughtfully updated, and ready for you to move right in. The kitchen is stunning. We're talking an upgraded and expanded, extra-large chef's space with modern finishes, stainless steel appliances, and storage for days. It's the kind of kitchen that makes you want to cook, and the kind of space where people naturally gather. The primary bedroom overlooks a peaceful pond—it's such a serene way to start and end your day. And the private backyard? It's your own little oasis with fruit trees—orange, nectarine, cherry and plum. The space is perfect for morning coffee, weekend barbecues, or just unwinding after a long day. There's a bedroom on the main level that's ideal for guests or a home office, plus a cozy fireplace that adds warmth and character. The home has solar panels with Tesla battery, new flooring, and a remote powered skylight that floods the space with gorgeous natural light. The attached 2-car garage includes a workbench, and there's extra parking for when friends come over. You're on a quiet cul-de-sac, walking distance to the community pool, with easy freeway access and close to everything you need—shopping, dining, and schools. This is one of those homes that just feels right the moment you walk in. Come see it for yourself.
