N/A, Vista,

Homes like this 3-bedroom, 2-bathroom property in the gated community of Verona Hills rarely come up for sale and thereâ€™s a reason. When you walk in, the vaulted ceilings and Brazilian cherry wood floors create a warm, open feel that immediately feels comfortable. The kitchen has been thoughtfully remodeled with a cook in mind, offering smart use of space and a clean, functional layout. The primary suite also features vaulted ceilings, a renovated walk-in shower, and access to a sunroom with a private spa, an ideal spot to unwind. The backyard is well suited for gatherings or quiet evenings at home. Residents appreciate the gated privacy and amenities such as, pool, jacuzzi, tennis courts, playground & RV parking. The location offers the convenience of being near shopping and highways while still feeling quietly removed on a rural style road. Some upgrades to the home include: renovated kitchen with raised ceiling, updated bathrooms, finished and insulated garage with can lighting, concrete patio with added drainage, built-in fire pit, double-pane windows, new carpet and a new water heater.
