Discover the magic of this beautifully crafted estate that captures the essence of refined country living. Warm, inviting, and effortlessly elegant, the home blends timeless design with sophisticated upgrades to create a space that feels both inspiring and grounding. Smooth stucco, custom corten steel accents, and professionally maintained landscaping with uplighting offer a striking welcome, immediately setting the tone for the craftsmanship found throughout. A handcrafted Mission-style Dutch door opens to a bright interior where wide porcelain plank flooring and recessed lighting highlight an open, airy layout. Modern convenience meets rustic charm with a fully integrated smart home system controlled via cell phone and Bluetooth, dual AC units, and a whole-house

generator. Each bedroom features sliding-door access to the outdoors, enhancing the seamless indoor-outdoor connection. The kitchen stands as a true centerpieceâ€”featuring expansive quartz counters, a hammered copper farmhouse sink, premium shaker cabinetry, generous prep space including a pot filler, stainless steel appliances, and custom lighting adjustable to your needs. From here, collapsible bi-fold doors open wide to blur the boundary between indoors and out, instantly expanding your living space into a breathtaking outdoor oasis. The resort-style grounds are a world of their own. A built-in outdoor kitchen with grill, sink, and refrigerator, two fireplace features, and three serene water elements create the perfect backdrop for gatherings. At the heart of the property lies a spectacular infinity pool with a beach-style entrance and spa, surrounded by Cameron flagstone and enveloped in treetop views. An electric awning shades the back patio, while in-ground Bluetooth speakers elevate the ambiance. Nature enthusiasts will love the expansive edible garden framed by custom Corten steel planters and an orchard offering a variety of fruit treesâ€”including fig, peach, nectarine, lemon, grapefruit, navel orange, lime, white peach, apple, loquat, pomegranate, and Fuji appleâ€”supported by a property-wide drip irrigation system. A productive chicken coop yields 4â€”5 eggs daily, and a dedicated dog run with automatic watering, along with a life-sized childrenâ€™s dollhouse/playroom and swing set, add thoughtful touches for all. Beyond the cultivated spaces, the backyardâ€™s open area offers room for oversized RV parking, additional structures, an ADU, and even future subdivisionâ€”providing outstanding flexibility. Practical luxury continues with an owned solar system, EV charging in the garage, and a long-lasting standing-seam steel roof. Every corner of this exceptional property radiates

charm, intention, and craftsmanship. Beautiful, functional, and truly unforgettable, 1111 Palomino Road is more than a homeâ€”itâ€™s a lifestyle, a sanctuary, and a rare Fallbrook treasure youâ€™ll never want to leave.
