Residential on 0 Acres

Harbor View Homes (HVHM), Newport Beach,

Welcome to this meticulously renovated Craftsman style residence in the heart of Harbor View Homes, one of the premier Newport Beach communities, and on the only inner loop culdesac directly on the greenbelt. Designed by architect Craig Hampton and finished with timeless modern designer touches throughout the interior and exterior, this 5 bedroom, 4 bathroom home flows effortlessly from the culdesac street to the oversized lot and backyard. The spacious front porch welcomes guests through a Dutch door entry into the dramatic two-story foyer, where you will immediately feel at home in the warm and inviting living room with adjacent dining room. At the heart of the home is an open-concept kitchen and family room, which open seamlessly for indoor-outdoor living to the backyard via expansive Windor accordion doors. Fit for a chef, the kitchen is complete with top-of-the-line appliances, a large marble island with its own sink, wine fridge, bar seating, a breakfast nook with banquette, and a walk-in pantry, all overlooking the clean, generously sized entertainerâ€™s backyard. Completing the first floor is a coveted main level bedroom and bathroom, and laundry room. Upstairs you will find a dreamy master suite and luxurious bath with a marble shower, dual vanities, and expansive walk-in closet. Three additional secondary bedrooms with built-in storage and desk space, and two more bathrooms complete the upper level. Additional finishes include skylights flooding

the home with natural light, gorgeous European white oak flooring throughout, wainscoting, expertly designed California Closets, and a spacious 3-car epoxy finished garage. The turnkey backyard impresses with a covered patio dining area, which adjusts for either full coverage or trellised light, a built-in BBQ with outdoor fireplace and seating area, and a sizable grassy play area with luxury synthetic turf and mature fruit trees. This home sits in one of the most coveted locations within Harbor View Homes, on the only inner loop culdesac street connected to the greenbelt, central to the neighborhood, and only a few homes from Blue Ribbon award-winning Andersen Elementary School. Other Harbor View Homes amenities include two large clubhouses with resort style pools and swim teams, nature trails, sports courts, and fields. The Port Streets are conveniently located near world class beaches, Fashion Island shopping and dining, John Wayne Airport, and the 73 highway.
