Corona del Mar North of PCH (CNHW), Corona Del Mar

Set on a 40 foot wide lot in Corona del Mar Village, this beautifully reimagined residence offers the ease of single level living with over 1,700 square feet of stylish interiors and thoughtful design. Fully remodeled down to the studs in 2017, every element of the home has been meticulously upgraded, blending timeless finishes with modern comforts.

The open concept layout flows seamlessly beneath vaulted ceilings, where the living and dining areas open directly to a wrap-around balcony, creating an effortless indoor-outdoor lifestyle. A separate family room adds versatility, while a cozy fireplace anchors the main living space.

The chef's kitchen impresses with leather-finish granite surfaces, custom cabinetry, and premier appliances including a Wolf range, Sub-Zero refrigerator, and Bosch dishwasher. Expanded windows fill the home with natural light, while French white oak floors lend a refined coastal aesthetic.

Two primary suites provide comfort and privacy, each with enlarged bathrooms clad in Carrara marble and fitted with Toto toilets and Hansgrohe fixtures. Additional upgrades include all new electrical and plumbing, new lighting throughout, dual-pane windows, new A/C with sound reduction, tankless water heater, and a new roof. With a roughly 500 square foot attic, this home is not short of storage space.

The exterior is equally impressive with new stucco, paint, landscaping, fencing, and

hardscape. Parking is ideal with a rare two car garage with Bluetooth-enabled openers and epoxy floors.

Located in the heart of Corona del Mar Village, this turnkey home is just steps from coffee shops, restaurants and world-class beaches. A rare find that combines luxury, convenience, and the best of coastal living.
