Auburn Ridge (AR), Mission Viejo,

Tucked amid lush, mature landscaping, this beautifully reimagined pool home blends timeless design with modern elegance.

Flagstone hardscape frames a custom gunite pool and spa enhanced by cascading water features, stacked stone accents, and a built-in fire pit with wraparound bench seatingâ€”perfect for entertaining or relaxing under the stars.

Pella windows and French doors, rich wood flooring, recessed lighting, and plantation shutters reflect quality craftsmanship throughout. A welcoming formal entry opens to an airy layout where anewly remodeled chefâ€™s kitchenâ€”with new quartz counters, new appliances, a charming garden window, plentiful cabinetry, and a counter barâ€”flows seamlessly into the living area highlighted by a fireplace and backyard views. Cathedral ceilings in the living and dining areas create a bright, open feel while dual-pane French doors invite the outdoors in.

Upstairs, the primary suite showcases vaulted ceilings and abundant natural light. The spa-inspired bath features a walk-in closet, dual sinks, slab granite counters, and a walk-in shower with dual shower heads and a built-in bench. The secondary bath offers double sinks, marble counters, and a shower-in-tub combinationâ€”beautifully updated for modern comfort. The home has also been fully re-piped for peace of mind.

Additional highlights include plantation shutters throughout, a convenient laundry room, and a two-car garage. Enjoy Lake Mission Viejo membership with access to private beaches, boating, fishing, and summer concerts—all within a premier community served by top-rated Blue Ribbon schools.
