3 Bedroom, 2.00 Bathroom, 1,304 sqft
Residential on 0 Acres

N/A, Los Angeles,

Welcome to 5429 W 76th Street, a single-story residence located on a quiet, tree-lined street in West Los Angeles. This 3-bedroom, 2-bath home offers approximately 1,311 square feet of living space with a functional and well-balanced layout.

The property features a front yard, Craftsman-style exterior elements, and a long driveway leading to a detached garage. Inside, the home opens to a living room with plank flooring, recessed lighting, and multiple windows providing natural light. The living area connects directly to the kitchen, creating a practical main living space.

The kitchen includes cabinetry, countertops, a tile backsplash, appliances, and a center island providing additional workspace and seating. A rear door from the kitchen offers direct access to the backyard.

The backyard includes a grassy area and raised patio deck, suitable for outdoor use. Bedrooms are well proportioned and positioned to allow flexibility for personal or professional use. Bathrooms are functional and reflect finishes consistent with the home.

A detached garage provides off-street parking and additional storage options. The property is conveniently located near local schools, shopping, dining, beaches, LAX, and major freeway access. Suitable for owner-occupants

or investors seeking a property in a Westside location.

Built in 1950
