ATNorthwest(20), Atascadero,

We are back on the market due to the buyer's inability to perform. Not because of the seller or the home.

Welcome to 2125 San Fernando! This beautiful, well-built home greets you at the driveway entrance. Step through the large front door into an amazing open floor plan. The kitchen features large countertops, a farmhouse sink, a wine fridge, and under-cabinet lighting! The open floor plan, with over 9-foot ceilings, flows seamlessly to the outdoors through large sliding glass doors. Enjoy your morning coffee in the sunlight, and let your indoor plants thrive with all the natural light.

As you move through the main living area, you'll find four spacious bedrooms, including a master suite with an en suite bathroom that also opens to the outside. The finished three-car garage offers ample space for vehicles, storage, and even your own home electric car charger. Additionally, a recently installed Tesla Powerwall will keep the lights on and the refrigerators running during any power outages. Come experience the relaxing and inviting atmosphere of this house in the trees!
