Residential on 41 Acres

N/A, Paso Robles,

Ranch Life.... Redefined! This Westside 40+ acre ranch perfectly blends classic beauty and ultimate functionality. Located just a couple miles northwest of Paso Robles, you'll love the convenience of the location, yet won't believe the feeling of seclusion here. Rarely do you find such a property, offering completely useable, oak dotted rolling acreage together with high quality ranching infrastructure and a stunning residence. Speaking of the residence, you would never know that the original structure was built nearly 50 years ago. The current owners invested huge sums of dollars and love to completely transform the 3 bedroom house into a home that guests don't soon forget. Wrapped in a custom sueded stucco finish, you'll notice attention to detail everywhere you look. A modern twist on Spanish Hacienda architecture was the goal, and it was perfectly executed as you'll see browsing the photo gallery. From the gorgeous custom designer flooring to the hand troweled drywall finishes.... the quartz counters to the hammered copper farmhouse sink - no detail was overlooked. With the exception of the floor-to-ceiling fireplace stone and the tongue & groove wood ceiling in the living room, every other surface has been replaced with new. Top-of-the-line Milgard windows - check. New HVAC system - check. All new electrical & plumbing - check. Even the tile roofing underlayment, attic insulation and in-wall plumbing! You get the point - it has all been redone in the last 7 years, making this dreamy

Hacienda live like a new custom home!
Entertaining friends and family is a treat,
whether gathered around the massive kitchen
island or outside in the easy care but incredibly
inviting patio areas. If the privacy and natural
beauty isn't enough for you, the views are
beyond words.... especially since you can
enjoy the panoramas in all directions without
sitting atop a hill, being blasted by winds.
There is more to this ranch though than just a
great location and breathtaking house. The
acreage is fully perimeter fenced and
cross-fenced, providing ideal provisions for
your hooved friends. Pipe fencing & 6-strand
wire, pastures, paddocks with rain covers, tack
and storage rooms, wash rack, etc - plus a
32x60 pole barn and a 30x30 shop building
with 3/4 bath and bunkhouse room! Drought
resistant landscapes, solar powered entry gate
and another beautiful homesite (with separate
entry) for a second home are additional extras.
Be sure to check out the feature video!
