Tucked among shade trees on a spacious lot in the desirable neighborhood, this multi-unit property is close to schools, shopping, and Atascadero Lake.

The main home is warm and inviting, with three bedrooms, two bathrooms, a cozy fireplace, new laminate flooring throughout, and a sunroom for bonus living space. Youâ€™ll also find a dedicated laundry room, two storage sheds, and a chicken coop ready for your backyard hobby farm.

Attached to the main home is a one-bedroom, one-bathroom suite with its own entrance and side yard, separated by an access door. Ideal for extended family, guests, or extra rental income. Above the detached two-car garage sits a fully separate two-bedroom, one-bath ADU featuring laminate flooring, its own small backyard, a private balcony, and laundry in the garage below. This property is packed with income-generating potential or perfectly suited for multigenerational living, a savvy house-hack setup, or a smart long-term investment. Solar helps keep utility costs down, and thereâ€™s even an additional outbuilding for more storage or creative use.
