\$1,449,900

4 Bedroom, 3.00 Bathroom, 2,631 sqft
Residential on 0 Acres

PR City Limits West(120), Paso Robles,

West Side Paso Robles Wine Country Dream Home! Live the Paso Robles lifestyle to its fullest in this incredible, character-rich residence located just minutes from historic downtown Paso Robles, fantastic wineries, amazing restaurants and first class entertainment. As you arrive, you can't escape the elegant curb appeal thanks to the classic architecture and design of the home. The manicured landscaping and mature trees only add to the allure. Once inside the home you'll marvel at the open floor plan, tall ceilings, abundant natural light and quality finishes. The kitchen features high-end stainless steel appliances, solid surface countertops, a breakfast bar and pantry. Now turn your attention to the living room with its wood floors and sunny windows. Just down the hall is the main level master suite with its big walk-in shower, roomy soaking tub and dual sink vanity. Remember, there are TWO master suites in the home! We'll see the second one in a moment. While you're still downstairs take note of the two guest bedrooms. One of them even has a built in Murphy bed so the room works great as an office/guest bedroom. It even has its own door to the back yard! Before you head upstairs be sure to check out the temperature-controlled wine room and the big garage with its abundant cabinet storage and epoxy floor! Upstairs is the main master suite complete with roomy bedroom, palatial bathroom and a closet fit for royalty! And don't forget the

balcony! The back yard is an experience of its own. Youâ€™ll love the privacy and seclusion with its lush landscaping and custom outdoor kitchen, complete with grill, sink, refrigerator, â€œkegerator,â€• outdoor TV, and Traeger smoker. Then thereâ€™s the stone patio with its fireplace and elegant lighting. And donâ€™t miss the spa and outdoor shower! To complete the picture is the additional gated area beside the garageâ€”great for extra storage and maybe even RV parking. And did we mention the OWNED SOLAR system? Truly a property that needs to be experienced!

Built in 2012
