PR City Limits East(110), Paso Robles,

Tucked away in a prime Paso Robles location a couple of minutes from downtown, this modern craftsman sits on a private half-acre, blending timeless charm with thoughtful updates. The home has been extensively improved from fences to fascia including a new energy efficient HVAC system which keeps the home comfortable year around. Luxury vinyl plank flooring flows throughout and blends beautifully with the architecture . Newer windows and solar tubes invite natural light into every room, while the kitchen and bathrooms have been tastefully and thoughtfully remodeled with quality finishes and a modern touch. The home has fantastic flex-spaces, a loft off the primary, currently serving as a small gym, and a space off the kitchen that would make a great game room, family room or formal dining. The insulated garage, complete with updated door, has its own heating and cooling mini-split and is perfect for working on projects or hobbies. Belgard pavers enhance both the beautifully landscaped front and back yards, where inviting patios provide the perfect setting for entertaining family and friends. A custom 16-foot gate opens to a massive, near-level padâ€”an ideal space for an ADU, workshop, or ultimate vehicle storage. Inside, a versatile loft offers a variety of uses, and the striking new front door sets a welcoming tone. Beneath a portion of the home, a large, usable room offers abundant storage options. A 50-year Presidential roof ensures lasting
