

\$1,099,900 - 654 Red Cloud Road, Paso Robles

MLS® #NS25168910

\$1,099,900

4 Bedroom, 3.00 Bathroom, 2,597 sqft
Residential on 0 Acres

PR City Limits East(110), Paso Robles,

Welcome to your spectacular view (and swimming pool) home in Paso Robles Wine Country! Youâ€™ll fall in love with this wonderful residence the moment you drive up. The high-elegance/low maintenance front yard invites you to experience a home like no other in town. Step through the dramatic front door onto the tile entry and the first thing you will notice is the phenomenal views out the oversized living room sliding glass door. But weâ€™ll get to that in a moment. First please enjoy the spacious living room with high ceilings, elegant tile flooring and cozy fireplace. Next is the chefâ€™s kitchen with its center island (itâ€™s movable by the way), granite countertops, stainless steel appliances, oversized basin sink and double ovens. The custom alder cabinetry is beautiful and functional with abundant storage and convenient access. Before we move on to the master suite, take note of the formal dining room with its big window and spacious environs. The master suite offers a spacious bedroom, big walk-in closet, dual vanities, glass-enclosed shower and luxurious bathtub. The 3 guest bedrooms are on the opposite side of the home and each offers its own character and features. Now letâ€™s go outside. First youâ€™ll enjoy the huge covered deck with its panoramic views of Paso Roblesâ€land beyond! The deck features a gas heater, festive lighting and convenient roll-up/down sun shades. Just off the deck is the gas fire pit and then the soothing hot

tub/spa. Now the swimming pool! The pool is vinyl-lined, 52 inches deep and is surrounded by a wonderful concrete and synthetic wood (â€œTrexâ€•) deck. Then there are the raised planting beds, greenhouse, gazebo, and producing fruit trees (apple, pink grapefruit, lime, plum, peach, pear, & apricot)! Then thereâ€™s the 10â€™ +/- by 12â€™ +/- refrigerated wine shed! As if this werenâ€™t enough the home has an OWNED SOLAR system! All of this in a location thatâ€™s close to just about everything.

Built in 2007
