Ravenna (RAVE), San Clemente,

Ocean-view pool home in Talega is luxuriously refined and among the finest within the coastal community of Ravenna in San Clemente.

Located opposite a lush greenbelt on a single-loaded cul-de-sac street, the grand residence makes a lasting first impression with its gated entry courtyard. Exceptionally private, the tranquil space offers access to a versatile casita that is great as an office, a studio, or a guest room. Timeless elegance is emphasized in a formal living room with a fireplace, high ceilings, courtyard access, new real hardwood oak floors, and lighted art niches. A stunning staircase is featured just across the foyer and showcases a low landing with a library niche.

Entertain graciously in a formal living room with a built-in buffet and access to a side patio and celebrate festive occasions in a family room with a curved corner fireplace, surround sound and custom bi-fold doors that open to the backyard. A truly epic kitchen is appointed with an island with seating, upgraded quartz countertops, a large breakfast nook, a pantry, dark wood cabinetry with glass uppers, and ultra-high-end appliances including a Wolf range, two microwave ovens, three traditional ovens and a built-in stainless-steel refrigerator. With approximately 4,468 square feet, the two-story floorplan has ample room for four ensuite bedrooms and four-and-one-half baths, including a secondary primary suite on the first level with a gorgeous bath and an oversized walk-in closet. Upstairs, a loft and a bonus room with a deck and a Juliet balcony

take their place alongside a phenomenal main primary suite with a sunny ocean-view deck, a rounded fireplace, a sitting area, a wine refrigerator, soaking tub, a separate shower, custom mosaic tilework, and a massive walk-in closet with two entrances and built-ins. Enjoy multi-zone Apple Airplay, wood flooring, designer paint, custom chandeliers, numerous French doors, archways, and handsome crown molding, wainscoting and shiplap. Custom hardscaping and mature landscaping embellish a homesite of nearly 6,298 square feet that is home to a newer pool with fountains and a covered patio. An oversized garage with epoxy flooring features three spaces and built-in storage. Talega parks and trails are close to home, and its golf course, shopping centers and award-winning schools are minutes away.
