3 Bedroom, 2.00 Bathroom, 3,066 sqft
Residential on 0 Acres

Rancho Margarita (RM), San Clemente,

Fantastic opportunity for those that want to make a home their own. Besides the incredible ocean and hills view, there is a very large bonus room that is a blank canvas. Keep it as it is and use it as a hobby room, gym, home office, home theater, etc. Or turn it into a junior ADU, 2 bedrooms and a bath and make this a 5 bed, 3 bath home. The possibilities are endless. It even has its own balcony. Now step out back onto the very large deck. Admire the nightly sunsets that are as varied as they days they close. Enjoy the ocean breeze that never seems to end. Watch the sailboats as they drift out of Dana Point and become little white triangles on a canvas of deep ocean blue. Got a boat of your own? With a simple modification of the front of the property you can save those pesky ever rising storage fees and park your boat or RV on your own property. This is a very unique property with a lot of upside potential. There are no HOA's or Mello Roos, so there is still the freedom to make modifications without an HOA's approval. As for other aspects of the home, the main bedroom has dual French doors that allow in ample light and a great view of the sparkling Pacific. A corner fireplace adds a classic touch for those cold winter evenings. The attached bathroom has heated floors and a spa tub. The closet is not only walk in, but big enough for a center island. Downstairs also has a fireplace in the expansive living room. The family room has a nice view of the ocean with French doors

leading to the backyard. There is a tankless water heater. And very hard to find 3 car garage with an epoxy floor rounds out the main aspects of this home. It is located in one of San Clemente's most sought after neighborhoods in the center part of town. It has easy access to all parts of town. From the harbor in Dana Point, to downtown and the pier, to Trestles, to big box retailers on Pico, to the hiking trails, to golf, to the Metrolink station. It's all just a quick 10 minute or so drive away.
