Residential on 0 Acres

N/A, Wildomar,

Great potential in this five bedroom three bath home located in a great neighborhood. This home features a large lot which is very unique. The backyard feels like you're in Italy with a landscape that includes pomegranate and fig trees. A large fountain gives a little plaza feel and the aluminum patio cover keeps the outdoor dining area cool during the warm summer nights. Back inside you will find a formal living room and dining room combination. The kitchen has plenty of honey colored cabinets and the counter tops are white ceramic tile. There's a good sized window looking out to the backyard. Another dining area and decorative double door pantry. The family room is off the kitchen and features a cozy fireplace. One of the five bedrooms is downstairs with adjacent bathroom featuring walk in bathtub. Access to the three car garage is just down the hallway. Upstairs we have a huge bonus room, perfect for family entertainment and games. The master is off to one side and looks out over the rear yard. The master bath features a large spa tub with jets, walk in shower, double sinks and walk in closets. Very convenient laundry room with sink is also upstairs. The remaining three bedrooms are good size and the shared bath features double sinks, separate toilet and tub-shower. This is a great value for such a big house and lot. Close to shopping and both the I-15 and I-215 freeways. Come take a look!
