LOCATION! LOCATION! LOCATION! This admired enclave of eight tree-lined streets and 400 homes offers carefree living curved around Mid-Wilshire and Hancock Park. Brookside is a neighborhood consisting primarily of large one-story and two-story single-family homes developed by the Rimpau Estate Co. in 1920 on land that had previously been part of Rancho las Cienegas. The area, originally called Windsor Crest, was built to attract wealthy families from the West Adams area, in various period revival styles including Spanish Colonial Revival, Tudor Revival, Mediterranean Revival, and French Revival. Later buildings were constructed in the Minimal Traditional and Ranch styles. The most exclusive and desired, highly sought after street, is Longwood Avenue, boasting maximum luxury, interior, and exterior space. Prime positioning, corner lot. windows for natural light. Recessed lights throughout with some new fixtures. Sliding glass door to a large backyard for entertaining. Upstairs loft. Large master bedroom with cozy fireplace, small balcony, walk-in closet, and private bath. Two additional upstairs bedrooms with joining Jack and Jill bathroom.
