Leisure World (LW), Laguna Woods,

Welcome to 5465-B Paseo Del Lago – an expanded and highly upgraded two-bedroom, two-bath, single-level CASA ROSA residence in the Laguna Woods senior community. This property has excellent curb appeal (with immaculate landscaping that is maintained by the Mutual) and is situated on a quiet cul-de-sac far from busy roads and noisy highways. Beyond the wrought iron front gate is a large courtyard suitable for outdoor entertaining, dining and relaxing. The popular Casa Rosa floorplan has twin primary suites separated by a large central living room. The living room features a high ceiling and easily accommodates your large furnishings. The remodeled kitchen features abundant cabinet and counter space, stainless steel appliances and an enormous skylight that floods the kitchen with natural sunlight all day. There is a small breakfast bar adjacent to the kitchen that comfortably seats two. The original floorplan has been expanded by approximately 300 sq. ft. to create a versatile bonus room with its own heating/cooling wall unit. This multi-use space can serve as a TV room, arts and crafts workshop, exercise room, or home office. This bonus room has a separate entrance to the front courtyard. The open rear patio boasts a lovely setting with a view of the greenbelt behind the property. This patio can be accessed via sliders in the living room and both bedrooms. Additional features include central heat and air, smooth ceilings, recessed lighting, dual-pane windows, plantation

shutters and neutral color tile and carpeting throughout. The furnace is newer (approx. two years old) and the water heater is brand new. The single car garage features built-in storage, washer-dryer hookups (the washer and dryer remain with the unit) and direct access to the residence via a service door to the kitchen. The driveway easily accommodates additional parking for two vehicles and there is also ample street parking. Do not miss this beautiful home!
