San Clemente Terrace (SCT), San Clemente,

Welcome to the perfect get-away-from-it-all, single-level beach house with superlative coastline views that stretch from Cotton's Point to the Dana Point Headlands. Interspersed between those two iconic landmarks are scenes of sandy golden beaches, tide pools, white water, the San Clemente pier, Seal Rock, Dana Point Harbor with San Clemente and Catalina islands off in the distance. After sunset, this rare vista will continue to captivate imaginations. Whether reclining beneath the covered patio or staying warm around the outdoor fire pit, the outline of the coastline is illuminated by the downtowns of San Clemente, Dana Point and the Harbor late into the evening. These sit-down, blue horizon views may be enjoyed from the kitchen, great room, living room, primary bedroom and expansive backyard. This mid-century home features three bedrooms (one is currently used as a study), three bathrooms, an open floor plan, 1,988 square feet of living space, an attached two car garage, an oversized driveway and an automated gate in the front yard. A wall of sliding glass doors facing the ocean connects the main living area to the backyard's spacious covered patio and provides an easy transition between indoor and outdoor living. Recent improvements include designer interior paint, imported European oak floors, upgraded light fixtures and a low maintenance landscape design. Additional features include the primary bedroom's ensuite bath with dual vanity and

step in shower, central AC, upgraded dual paned windows, sliding glass doors, interior laundry area, an alarm and a remote video surveillance system for additional peace of mind. La Ventana is an extremely private street with a cul-de-sac at each end and no public park or lookout to attract additional traffic. Yet, the home is less than 8 miles from an array of shopping destinations (boutique shops to outlets), world famous surf, a network of coastal trails spanning miles, trendy dining and the vibrant downtowns of San Clemente, Dana Point and San Juan Capistrano to explore.
