Residential on 0 Acres

N/A, Lancaster,

Welcome to this single story beauty with a very popular floorplan featuring 4 bedrooms and 2 baths on a huge park-like lot. When you enter this meticulously maintained home, you will find a formal living and dining room with lots of light and a slider to the backyard. Vaulted ceilings throughout the living room, formal dining, kitchen, and family room. The kitchen is open to the family room with a wood fireplace and a slider to the beautiful backyard as well. The kitchen has a newer gas range/oven and microwave, light and bright, tile counters and direct access to the 2 car garage. On the other side of the house, you will find all the bedrooms. The primary bedroom has sliders to the back yard and it's own bathroom with 2 sinks and a shower. All the bedrooms are very spacious. One of the four bedrooms is being used as a den, easily can convert back to a bedroom. Heating/Air and water heater were replaced a few years ago. The entertainer's backyard has a large lattice patio cover with a beautiful grassy area looks like a park with trees. Large side yards with a shed. Located in a quiet neighborhood near Skytower park.
