Southwest, San Clemente,

Built by San Clemente's legendary founder Ole Hanson, this 1927 home is a living piece of the town's architectural heritage. Located a stone's throw from the bustling Avenida Del Mar, the extraordinary property unlocks endless possibilities with a rare double-zoning for both residential and commercial use. And now, it's back on the market for the first time in 50 years. As you approach, classic Spanish Revival architecture immediately catches the eye. The red tile roof and stucco walls speak to Hanson's enduring vision for his "Spanish Village by the Sea". Cross the threshold through cross-beamed double entry doors into a space steeped in history, featuring warm wood floors and an adobe-style fireplace. Cozy and functional, the 2-bedroom, 1-bath home offers just over 1,000 square feet of interior living space. The spacious family room provides ample room for relaxation or entertaining, while the generous front patio invites you to bask in the California sun and sunsets and watch the world go by. Step outside, and you're in the heart of San Clemente's vibrant business district. Dozens of cafes, restaurants, bars, and boutique shops line nearby Avenida Del Mar, offering a unique blend of small-town charm and modern convenience. The San Clemente pier, local beaches, and the scenic beach trail are all within short distance, as are the community center and the Cabrillo Playhouse. The year-round San Clemente trolley stops nearby, offering free rides around town. With effortless

access to the 5 Freeway, the rest of Southern California is at your fingertips. This rare gem is an opportunity to be part of San Clemente's history and write your own chapter in its story.
