Beachwalk, San Clemente,

HUGE PRICE ADJUSTMENT. Nestled in the exclusive North San Clemente community of Beachwalk, this gem of a home is a rare find. It's not often a property in this 19-home community comes available, and this one is stunning. Head down the private and lushly landscaped walkway to enter the open and spacious living room. With its vaulted ceilings and large windows, natural light fills the room – there is so much natural light all throughout the home. The organic flow of the first floor enables movement from the living room to the dining room and to the kitchen with ease. Prepping and cooking in this beautifully remodeled kitchen is both delicious and fun. The upgraded countertops and backsplash show beautifully, as well as clean white cabinets with ample storage. And all the appliances are in close reach. Tile and carpet are throughout. Upstairs is where the 3 bedrooms are located. The primary suite also has lots of natural light with its large windows and vaulted ceilings. And the closets were given special attention, as they were upgraded with custom organizers, offering the best use of storage. The secondary bedrooms share a Jack-and-Jill bathroom. Upstairs, there is also additional storage if needed. Heading back downstairs, there's a half-bath. Or go out to the 2-car garage with epoxy flooring to do laundry, where the washer and dryer are located. Or even head out to the backyard for some tranquility and privacy. The beautiful, mature plant life surrounds the outer perimeter

of the home as can be seen when walking from the backyard to the side yard. And then wraps right around to the front of the home. So lovely, charming, and peaceful. Within the community, there is also a private spa and ample guest parking. Close to the beach, schools, shopping, restaurants, entertainment, PCH and the 5-Fwy. This is an incredible home in a gorgeous area.
