Lantern Village Central (LDC), Dana Point,

Spectacular ocean views from every angle follow you throughout this gorgeous property! You will never be able to take your eyes off the jaw-dropping beauty flooding in through the open windows throughout this 4 bedroom, 4 bathroom masterpiece that is perfect for a multi-generational family with its 1 bedroom, 1 bathroom unit that includes a full kitchen, patio, and ocean view. It is rare to find a home with the elegance, amenities, and luxury to match the unobstructed views, but this unique property delivers at every turn. From the moment you walk through the Dutch front door, you will be transported to another world. Massive windows and glass doors across the back wall make the view look like a painting and leave the interior of the home as bright and open as you would want from a Dana Point property. High ceilings, an open floor plan, freshly painted walls and wood floors add a sense of elegance without distracting from the clear blue sky filling the room. The chef's dream kitchen showcases stunning stainless steel appliances, including a Sub Zero refrigerator/freezer, range with hood, double ovens, and dishwasher, which match perfectly with the white cabinetry and wood accents on the center island and additional countertop space. The family and dining rooms connect to the kitchen and capture the open feeling that allows entertainment to flow with ease while remaining intimate. The balcony off the family room is bound to be a space you will spend countless hours as you enjoy a cup of

coffee in the morning or a glass of wine as you watch the last rays of sunlight glisten off the ocean in the distance. The unique aspects of this home do not end there! As you make your way to the oversized primary bedroom, you will fall in love with the stunning ceiling architecture, and the en-suite bathroom features dual vanities, a beautiful clawfoot tub, and a walk-in shower. The accessory bedrooms are of great size and include modern door features and amazing views. Beyond all of that, the secondary unit on the property is perfect for elderly parents, older children, guests, or could be used as an apartment with its large living space, full bathroom, balcony with a view out to the ocean, and kitchen featuring a peninsula, refrigerator, stainless steel stove and oven, and ample white cabinetry. With close proximity to some of Dana Point's finest beaches, shops, and dining, this home truly leaves nothing to be desired!
