Welcome to Rambling House—a beautifully upgraded 2,750 sqft Craftsman-style home with 3 bedrooms, 3 baths, and a versatile loft space. Remodeled in 2010, the kitchen, family room, dining area, and primary suite shine with modern touches, including natural wood floors, vaulted and open-beam ceilings, and motorized window covers. The home features dual fireplaces, a 5-year-old AC condenser, and a new tankless water heater. Step outside to a park-like backyard with terraced landscaping, a spa, fire pit, outdoor shower, and decorative lighting. Enjoy the large covered patio, side retreat, and an additional 250 sqft guest house with its own tankless water heater. Practical upgrades include a solar-approved roof and approval for 21 solar panels, upgraded windows, carport, RV parking behind a secure motorized gate, built-in attic storage, upgraded gas meter, automatic sprinklers, and a wired home security system.
