Stunning Ocean & Mountain View Home in  
San Clemente – A Rare Find!

Are you searching for a home that has it all? This rarely available, single-level, detached gem in one of San Clemente's most prestigious neighborhoods offers breathtaking panoramic views of both the ocean and Saddleback Mountain. Enjoy your morning coffee/breakfast or evening beverages & snacks/dinner over jaw-dropping sunsets over Catalina Island, Dana Point Harbor, and even fireworks from seven nearby cities!

This spacious almost 2,000 sq. ft. home features 4 bedrooms, 1-full bath/1-3/4 bath/1-1/2 bath, and an oversized 2-car garage with plenty of extra storage & room for a workshop. But the real highlight? With upgraded hi-end sliding doors from both the living room and MBR, enter the huge, ultra-private rear yard with sweeping views of Saddleback mountain and a peaceful park-like valley below. PLUS an ocean view from BOTH the front of the property AND the huge rear deck! It's truly an entertainer's dream, complete with a large Jacuzzi, a permanent canopy-covered area, and a full-size outdoor BBQ with built-in refrigerator, and ample counter space for prepping and serving your guests.

Tired of outrageous electricity bills? This home is equipped with a seller-owned solar system,

eliminating monthly energy costs (subject to any potential future utility increases). Need space for your toys? There's an extra-large area (9'6" x 60'), perfect for RV or boat storage. As an added bonus, the property provides a built-in charging system for electric vehicles which works with almost all electric cars. With an adaptor, it also works with Tesla vehicles. With the charging circuit already in place, your electric vehicle is ready to go!

This gorgeous home is just a few minutes drive from the charming historic village of San Clemente and its world-famous beaches, churches, shopping, hiking trails, tennis and golf clubs, and much more! Plus, it has NO MELLO ROOS taxes! Located approximately mid-way between San Diego and Los Angeles, it's the perfect place for commuters.

This home is not just a house—it's a lifestyle. Make it yours!
