Welcome to this ranch-style, single-story mid-century modern gem in the highly desirable Lower Hastings Ranch community of Pasadena. Proudly owned by the same family for 48 years, this home offers timeless character, inviting spaces, and endless potential for your personal touch.

This north-facing property features 3 bedrooms and 2 bathrooms. The thoughtful layout places all bedrooms on one side of the home for added privacy, with original hardwood floors currently exposed in the hallway and bedrooms, ready to be lovingly restored. One bathroom offers a separate tub, a walk-in shower, and an extended vanity with ample storage, while the second bathroom features a convenient walk-in shower.

At the heart of the home, the inviting living room centers around a gas and wood-burning fireplace, with cozy carpet and views of the mountains from the dining area. The spacious kitchen includes tiled flooring, abundant cabinet storage, and a picture window overlooking the serene outdoor space.

Youâ€™ll appreciate the indoor laundry area complete with a built-in ironing board â€” a nostalgic feature you rarely find today. The long driveway leads to a detached garage, offering generous parking for multiple vehicles.

The expansive backyard is a peaceful retreat,

surrounded by mature trees and privacy with no neighboring homes overlooking the space. The backyard includes lemon and tangerine trees that offer fresh, homegrown fruit and a charming touch to this inviting outdoor space. From the front yard, take in beautiful mountain views, and enjoy the charm of tree-lined streets as you arrive home.

Recent improvements include a new roof and HVAC system for heating and A/C installed in 2025, ensuring year-round comfort.
