Residential on 0 Acres

Pacifica (Central SC) (PC), San Clemente,

High on a terraced hillside in San Clementeâ€™s desirable Pacifica enclave, this single-level Mid-Century home is embellished with inspiring ocean, hill, sunset and city-light views. Its outstanding location near shopping centers, golf courses and I-5 is among the best in town, and an elevated street-to-street homesite spans almost 7,380 square feet. Charming coastal-style architecture with shingled siding joins water-saving turf and a gated entrance courtyard in a front yard that makes everyone feel welcome upon arrival. Beyond a foyer with double entry doors and a wood-paneled wine cellar, the three-bedroom, two-bath residence embraces approximately 2,200 square feet in a custom-expanded floorplan. Dual primary suites and a secondary bedroom with bay window offer privacy and comfort, while open living areas include a fireplace-warmed living room with high ceiling, and an ocean-view dining room wrapped in floor-to-ceiling sliding-glass doors. Opening to the dining room and a family room with custom built-in desk and cabinetry, a fully upgraded kitchen hosts an island with prep sink, ample white cabinetry with glass uppers, granite countertops, a pantry, nook, reverse-osmosis filtered water, and a full suite of appliances that includes a Dacor warming drawer. Preferred upgrades are led by solar power, central air-conditioning, skylights, wide-plank wood flooring, auto roller shades in the dining room, custom bath finishes and stonework,

mirrored wardrobe doors, and an attached two-car garage with extra workspace and built-in cabinetry. Take advantage of San Clemente's renowned climate in a backyard with large covered deck, an open-air fireplace with seating, automated awnings, and sweeping views of the Pacific Ocean and rolling hills. There are no HOA fees in Pacifica, and the community is convenient to San Clemente High School, city parks, the Outlets at San Clemente, and miles of sandy beaches.
