N/A, West Covina,

Positioned in a quiet cul-de-sac in West Covina is 835 S Terri Ann - a highly upgraded single-story pool home WITH ADU that checks all the boxes. Driving up, youâ€™ll be greeted by lots of curb appeal, a large front yard, beautiful entry, & a long driveway with a covered parking space. Important to note on the outside are the multiple solar panels installed by Tesla in 2022 that supply more than enough power to this pool home. The owners also completed a reroof in 2011 with Lifetime Shingles. Inside the home, youâ€™re welcomed by an exceptional open floor plan, part of a meticulous remodel completed in 2018. This space is perfect for those who want to entertain & host. Pull up a chair to the custom 12 ft quartz island & be a part of the action in this beautiful kitchen. Or turn to face the fireplace with electric insert, accented with stack stone & a mounted tv for your viewing pleasure. If youâ€™re hosting a more intimate dinner, weâ€™ve got you covered. Behind the fireplace, you can gather in the generously sized dining room with beautiful wood-beam ceilings. Guests can use the ½ bath conveniently located off the laundry room next to the kitchen. Wood-patterned tile floors run throughout the main living area & kitchen. Down the hall are two well-sized bedrooms and a full bathroom with a dual vanity, remodeled in 2024. Located in the back of the home is a large ensuite, complete with original hardwood floors, remodeled ¾ bathroom, and private access to the backyard & pool

area. But since this is So Cal, why don't we take the party outside? This backyard is truly your own private resort. The covered patio features lighting & ceiling fans and looks out onto a sparkling pool complete with a pool heater & motor replaced in 2018/2019. And if you're looking for additional living space or a private studio for family, then you'll love the permitted 300 sqft ADU. The space features tile floors, newer A/C split unit for temperature control, a closet, and a private ¾ bath. Access to the ADU is easy and private, with gated access on the side of the home, so it's a possible rental unit too. Next to the ADU is a 2 car garage for additional storage or parking. For those with a lot of cars, toys, a boat, etc., you'll love the side driveway, concrete pad measuring approx. 70'x19' with pull through gate. Other upgrades include: plantation shutters throughout (2020), upgraded electrical panel (2018), Chargepoint EV car charger (2022). Contact us today to schedule a private tour!
