Step inside this magnificent 100 YEAR OLD gated Tudor Revival home located inside of Riverside's historic Wood Streets and experience a timeless blend of classic architecture and modern amenities. The BEAUTIFULLY LANDSCAPED exterior boasts quintessential elements of the style, including a steeply pitched roof, a stucco facade with brick accents.

Inside, the grandeur continues. The living room is anchored by a stunning Gothic stone fireplace, flanked by built-in bookshelves that add both function and elegance. Adjacent to the living room is a spacious office with its own AC unit, ensuring comfort and privacy. The oversized dining room exudes warmth and sophistication, while the custom iron railings on the staircase add a touch of artistry to the home's design.

This residence offers four bedrooms and two full bathrooms, plus a small office nook upstairs for added convenience. The downstairs features a cozy bedroom, located off the dining room. UPSTAIRS IS GRACED WITH FOUR LARGE BEDROOMS. The primary bedroom is particularly impressive, with expansive views of the landscaped lot and the mature trees that surround it. The en-suite bathroom is a luxurious retreat, complete with a spa jacuzzi tub, walk-in shower, and dual sinks. The walk-in closet in the primary bedroom is spacious and

thoughtfully designed.

The updated kitchen is a chefâ€™s dream, offering plenty of space with granite countertops, double sinks, and a built-in refrigerator. The large island features a wine refrigerator, and there's an abundance of storage cabinets. A PROFESSIONAL Viking 6-burner gas range WITH TWO OVENS will inspire any home cook, while the adjoining breakfast nook adds a cozy spot to start the day. The laundry room is located just off the kitchen.

The home is set on a large walled lot, beautifully landscaped in the style of an English garden. The brick pavers in the garden comes from a historic brickyard in Chicago, adding a rich, vintage touch. A luxurious European-inspired pool and spa are the focal points of the backyard, with a delightful patio area that overlooks the water. A second patio close to the kitchen on the side of the house with BBQ hookups is perfect for entertaining.

Modern upgrades include efficient split AC units in the bedrooms and the large downstairs office, ensuring optimal cooling throughout the home. OWNED SOLAR! A three-car garage with 240V EV power is located at the rear of the property, and a basement for additional storage.
