Welcome to 9321 Cape Cod Drive, a beautifully maintained coastal home offering relaxed Southern California living in one of Huntington Beach's most friendly neighborhoods. From the classic white picket fence and low-maintenance landscaping to the well-thought-out floor plan and backyard built for making memories, this home truly has it all.

Inside, you'll find over 2,000 square feet of light-filled living space, thoughtfully spread across two levels. At the heart of the home is an open-concept kitchen featuring marble-style countertops, a navy subway tile backsplash, stainless steel appliances, and a large island—perfect for prepping school lunches or serving snacks to a crowd. The adjacent dining area and two generous living spaces offer plenty of room for family gatherings, game nights, or movie marathons. Sliding glass doors lead directly to the backyard, making indoor-outdoor entertaining a breeze.

Also on the main floor is a full bathroom, complete with a clawfoot soaking tub and timeless finishes—ideal for guests or post-pool rinses.

Upstairs, you'll find three spacious bedrooms, including a generous primary suite with a walk-in closet and private en-suite bathroom featuring both a soaking tub and

walk-in shower. A second full bathroom serves the additional two bedrooms, creating a functional setup for busy mornings.

Step outside and discover your own backyard retreat. The fully fenced yard provides privacy and peace of mind, while the custom saltwater pool and spa, built-in BBQ kitchen, and outdoor fireplace make this space perfect for summer barbecues, weekend hangouts, or quiet evenings under the stars. Framed by tropical plants itâ€™s a space that feels like a getawayâ€”without ever leaving home. And with solar panels already installed, youâ€™ll enjoy added energy efficiency all year long.

With a 2-car garage, ample storage, and a location just minutes from local parks, top-rated schools, the beach, and daily conveniences, 9321 Cape Cod Drive is a home where family life is easy, entertaining comes naturally, and memories are made every day.
