The Hollywood is a very chic, artsy,
sophisticated building that was designed by
the award winning architect Stephen Kanner,
who has designed many boutique properties
around Los Angeles. The building has been
featured in numerous architectural articles for
it's design, it's rotational hallway art display &
most notably, the private art gallery deep in
the bowels of the building's garages. The
developers handed over the garage walls to
some big-deal, pedigreed street artists to do
their thing. If you are a street art connoisseur,
or even if you are not, you will appreciate the
vibrant art from the likes of Mr. Brainwash,
Retna & ManOne.

Looking for a residence in the building that will
check your boxes?

The building has 5 floors and ours is the
corner condo on the 4th floor positioned well
within the interior courtyard with views of the
pool & the city lights of Hollywood below. The
condo has 2 nice sized bedrooms w/en-suite
bathrooms perfect for roommates. The high

ceilings, roll up window shades, custom closets, designer light fixtures, custom fireplace, stacked washer dryer, the low pile carpet in the bedrooms/hardwood floors are in great condition. The kitchen is well equipped with state-of-the-art appliances & a cool WOLF Range that will make you want to cook. The built-in beverage cooler is nice & the modern European cabinets, drawers finish off the sophisticated feel. To relax after a long day, draw down your shades, turn on the fireplace, set the mood & enjoy your beverage of choice on the balcony overlooking the pool & Hollywood.

Living here you will have access to first class amenities rivaling some of the best boutique hotels/lounges in town. Perks include the 24 hour doorman, concierge services, secured garage for you, your guests & the TWO side x side assigned parking spaces are a plus living in the city. The A+ amenities beckon you home to enjoy them. The resort pool, spa & the building's courtyard is the centerpiece but the underground & very chic resident lounge & the well-equipped gym is a huge plus, maybe good enough to cancel your gym membership.
