5 Bedroom, 4.00 Bathroom, 3,666 sqft
Residential on 0 Acres

San Rafael (SANR), San Clemente,

Opportunities like this donâ€™t come around often. Set on a private corner lot at the end of a quiet cul-de-sac, this five-bedroom, four-bathroom home in Talegaâ€™s San Rafael tract has just undergone an extensive custom renovationâ€”the result is nothing short of spectacular. Every detail has been carefully designed and executed, from wide-plank luxury vinyl flooring and custom woodwork to integrated RolscreenÂ® windows by Pella and Zellige tile accents. The kitchen is a showpiece with an oversized 8-foot island, white shaker cabinetry, quartz countertops, and a full suite of high-end Wolf and Sub-Zero appliances. Built-in appliance garages, a walk-in pantry with automatic lighting, and a butlerâ€™s pantry with a beverage fridge add both style and function. Downstairs also features formal living and dining spaces, a large family room with built-ins and fireplace, and a main-floor bedroom with a full bathâ€”ideal for guests or multi-generational living. Upstairs, a spacious bonus room offers flexibility for a theater, playroom, or any lifestyle need. The primary suite is a true retreat, featuring an attached office, dual walk-in closets, and a stunning bath with floating vanities, soaking tub, backlit mirrors, and a walk-in shower with a full-length niche. Completing the interior of the home are three additional bedrooms, including a junior suite with a private bath and a Jack-and-Jill layout with double vanities. Each bathroom was fully renovated with sleek tilework and carefully chosen finishes. The backyard is

what sets this home over the topâ€™resort-style pool and spa with waterfall, Baja shelf, and solar thermal heating system. An outdoor kitchen, fireplace, TV, and generous lounge and dining areas make it perfect for entertaining. The oversized lot even includes space for a putting green, trampoline, or storage. Behind the scenes, the home is just as impressive: solar panel system, high-efficiency air conditioner with air ionizer, smart home leak prevention system, three-step whole house filtration system, and reverse osmosis system. You wonâ€™t find another home in Talega quite like this!
