N/A, Redondo Beach,

Welcome to 2015 Speyer Lane #A, a rare opportunity to own a detached townhouse that lives like a true single-family home in the heart of Redondo Beach. Tucked away on a quiet street, this front-unit property offers the space, privacy, and outdoor living you've been searching for, but at a price that's hard to beat in today's market.

Step inside and you'll immediately notice the thoughtful updates throughout. The kitchen has been fully renovated with modern finishes and fixtures, while the flooring, electrical, and plumbing have all been upgraded to meet today's standards. Whether you're charging your EV or planning for future EV needs, you'll appreciate the convenience of a 220V outlet and charger already installed.

One of the standout features of this home is the incredible outdoor space. The backyard has been completely redone to create a private oasis, perfect for relaxing, entertaining, or simply enjoying the Southern California weather. And unlike most townhomes, this one also features a front yard, providing you with even more room to enjoy and personalize your space.

Located just minutes from the beach and within one of the top-rated school districts in the South Bay, this home offers the perfect blend of comfort, location, and long-term value. With no shared walls, a great layout,

and quality upgrades already completed, this is the kind of home that doesn't come around often, and when it does, it doesn't last.
