VIEWS, VIEWS, VIEWS!! There are only a handful of communities in Riverside that have been built in the last ten years that offer generously oversized lots with unobstructed views. Located in the Woodcrest community, this home is truly turn key and ready to be lived in. As you enter the front door of this single level home you are met with clear views as far as the eye can see of nearby surrounding mountain ranges. The home has an ideal floor plan for those who love to entertain. To the right of the entrance, you will be met with the ideal place to host loved ones as the living room, dining area and kitchen create an open space perfect to do so. This area of the home includes an updated kitchen with a large pantry, custom cabinets, and bar area with wine fridge. Just off the dining area is a sliding door that leads you into your outdoor space complete with a California room that allows you to take advantage of a sunny day while relaxing. Throughout the home you will find plenty of windows letting in an abundance of natural light for the day, recessed lighting for the evening, crown molding, and updated vinyl flooring.
