Other, Anaheim,

Welcome to 619 S Olive Street, a bright and inviting single-level home in Anaheim offering a spacious lot, private bonus space, and thoughtful indoor-outdoor flow. A stone walkway leads through a quaint, low gate and onto a small front patio framed by a symmetrical exterior—centered front door, windows on each side, and a soft arched overhang that gives the home a classic, almost storybook look. To the right, the path continues alongside the house where fencing opens to a gated driveway leading to the backyard and secondary access to the home. Inside, natural light pours in through windows. Light wood flooring and white interiors add to the bright, airy feel. With the kitchen to the right and a cozy living area to the left, the layout blends comfort and functionality. Off the living room is a bedroom with a walk-in closet and en-suite bathroom featuring a dark wood vanity, crisp white finishes, and a unique tub/shower alcove. The bathroom also connects to a hallway that ties through the kitchen and leads to an additional bedroom with its own closet and convenient access to the rest of the home. Out back, the yard features circular garden beds with established trees that break up the paved space and add greenery to the setting. Multiple gated access points offer flexibility and privacy—ideal for multi-use living or entertaining. Toward the back of the property is a converted garage, now a detached bonus space with its own entrance, main room, full bathroom, and a

separate niche for storage or wardrobe use. The unit has its own A/C, making it perfect for a guest suite, office, or studio. Located in a desirable Anaheim neighborhood, 619 S Olive Street offers abundant outdoor space, smart design, and adaptable living in a uniquely flexible and well-connected setting.
