The primary bedroom is good sized, and includes a walk-in closet, private en-suite bathroom with dual sink vanity with stone counters, new toilet, walk-in shower, and a separate soaking tub. The primary bedroom is private and separate from the 3 additional bedrooms - 2 of the secondary bedrooms have walk-in closets. There is a second full bath in the hallway of the

secondary bedrooms with stone counters, new toilet, and the vanity and toilet/showering rooms are in separate areas. What is unique about this floorplan is there is also a half bath away from all the bedrooms and perfect for your guests. The French door in the dining room leads outside to the California room with a built-in covered patio area. This home also features an extended large driveway to park 4+ vehicles, and a large side yard with possible RV/boat parking. Both the front and backyards are low maintenance and designed to conserve water. The front and back fences are block walls, and the side fences in between the houses are vinyl. Conveniently located near great schools, parks, shopping, and major highways, this hard-to-find single story is a great opportunity to own in an amazing neighborhood.
