Misty Ridge (MR), San Clemente,

Crowning the top of San Clemente's enviable Misty Ridge neighborhood, this exceptionally rare homesite offers stunning views, ample room and a prime end-of-cul-de-sac location. Extending approximately 26,959 square feet, the premium lot overlooks panoramic canyon, hill, city-light and Saddleback Mountain views, complete with a peek at the ocean. This is an exceptional opportunity to create a custom home with every amenity you desire, from a true chef's kitchen, home theater, gym and opulent primary suite to a resort-caliber backyard with pool, spa, pizza oven and built-in grill. The choices are all yours. On the left, an adjacent homesite with a luxurious view home is also for sale and can be purchased in combination with this property. The site is about 28,000 square feet, and its two-level residence features five bedrooms and four- and one-half baths in approximately 3,829 square feet. Views are equally dramatic, and the backyard offers a sparkling pool and spa. Acquire both and design a large estate or residential compound. HOA dues are low at Misty Ridge and there are no Mello-Roos. Located at one of the highest points in San Clemente, the exclusive enclave is served by award-winning schools and merely moments from trailheads and scenic parks.
