N/A, Lake Elsinore,

Welcome to 29161 Allan Street, a beautifully updated single-story home in Lake Elsinore offering a bright layout, modern finishes, and a spacious yard ideal for both relaxation and entertaining. A brand-new HVAC system with ductwork was installed in July 2025 with a total upgrade cost of \$16,000, ensuring year-round comfort and efficiency. Additionally, in July, the septic system was professionally serviced, and two green risers were installed at a total cost of \$1,550.

The home sits on a large front lawn with a recently added palm tree and a long driveway leading to a two-car garage.

Inside, youâ€™re greeted by an open living area with a cozy fireplace framed in sleek gray brick. The space flows seamlessly into the kitchen and dining room, creating a natural hub for everyday living. The kitchen features striking white marble waterfall counters, a glossy light-gray tile backsplash, and a mix of white and soft gray cabinetry. Updated appliances, recessed lighting, and light wood-style floors complete the fresh, modern feel. A sliding glass door off the dining area brings in natural light and opens to the expansive backyard.

Down the hallway, youâ€™ll find built-in cabinetry, a full bathroom, and three comfortable bedrooms. The spacious primary suite offers its own ensuite bathroom, sliding

glass doors for backyard access, and mirrored closet doors. Two additional bedrooms provide ample storage with mirrored closets and ceiling fans, while both bathrooms showcase updated finishes with sleek black fixtures.

The backyard is truly a highlightâ€”offering a generous patio and a massive yard on a lot just over 20,000 sq ft, providing endless possibilities. Whether you're envisioning a swimming pool, custom landscaping, or even adding a second property or ADU, there's plenty of space to make it your own. The attached two-car garage provides extra storage and includes the laundry area for added convenience.

Included with the sale at no additional cost are the following items: refrigerator, stove, TV in the living room, TV in the smallest room, TV in the garage, three Ring cameras on the property, metal shelves in the garage, washer and dryer (both located in the garage), and window shutters, which come with a lifetime home warranty.

With its modern updates, flowing floor plan, oversized lot, and expansive outdoor space, 29161 Allan Street is a turnkey opportunity to enjoy comfortable living with exceptional potential in a great Lake Elsinore location.
