N/A, Highland,

Step into this freshly reimagined Highland home. A modern-meets-midcentury retreat with thoughtful details at every turn. Inside, sunlight streams through oversized picture windows, highlighting warm wood-look floors and an airy, open layout designed for both daily living and stylish entertaining. The kitchen makes a statement with gleaming quartz counters, subway tile backsplash, and soft-close shaker cabinetry, all anchored by sleek black hardware and stainless appliances. Both bathrooms are magazine-worthy: one wrapped in serene sage-green tile with matte black fixtures, the other accented with soft neutral tones and brushed gold hardware. The spacious backyard is a blank canvas under mature shade trees, perfect for a future pool, patio, or garden oasis. Out front, a low-maintenance desert landscape frames the home's clean, modern lines. Set on a quiet street close to local schools, shops, and the San Bernardino Mountains, this home is ready to be the backdrop for morning coffee by the picture windows, backyard barbecues under the shade trees, and years of memories in a thoughtfully updated space.
