6 Bedroom, 3.00 Bathroom, 3,893 sqft
Residential on 0 Acres

Sycamore Creek, Corona,

This beautifully designed floor plan is located in the highly desirable Sycamore Creek Community, with excellent school ratings! This generously sized 6-bedroom, 3-bath home feels larger than its actual square footage, thanks to its well-thought-out layout that maximizes functionality. The open floor plan offers various lifestyle options, such as a home office, workout room, or accommodations for multiple occupants—there are so many possibilities! As you enter, you'll find a formal dining area next to the stairs, alongside a spacious formal living room or multi-purpose room. The open kitchen flows into a large family room with a cozy fireplace. There is 1 bedroom and 1 bathroom with a shower conveniently located downstairs, as well as ample storage space in the laundry room, which features a large sink. The enormous master bathroom and double-sized walk-in closets offer plenty of storage room. This home is light and bright with additional storage closets and cabinets throughout. Recent updates include a fresh interior designer paint color, new luxury flooring, a new air conditioning unit, and a new water heater unit. The low-maintenance front and backyard feature artificial turf and desert plants, allowing for significant savings as there's no need to hire a gardener. The property also includes a three-car garage and a long driveway. The community has low HOA fees and offers a range of amenities, including a clubhouse, entertainment area, pools, a fitness center,

walking trails, parks, and sports courts. Plus, itâ€™s conveniently located near several shopping centers. With so many great features, this home is a must-see!
