Old Town (OLDT), Seal Beach,

1313 Ocean Avenue is a striking blend of coastal sophistication and modern design, ideally located just steps from the sand and the vibrant boutiques and cafÃ©s of Main Street. This newly constructed 3-bedroom, 4-bathroom residence spans 2,796 square feet and showcases a reverse floor plan that elevates the main living areas to capture natural light and ocean breezes. A chefâ€™s kitchen with Thermador appliances, a waterfall-edge island, and custom cabinetry flows seamlessly into expansive living and dining spaces, where 14-foot stacking glass doors open to a covered terrace with built-in heaters for effortless indoor-outdoor living. The primary suite offers a spa-like bath with a soaking tub, dual vanities, and a generous walk-in closet. Downstairs, a glass-and-steel staircase leads to two additional en suite bedrooms and a versatile bonus room ideal for a media space, home gym, or optional fourth bedroom. Atop the home, an 800-square-foot rooftop deck offers panoramic views stretching from the coastline to Catalina Island. Smart home wiring, solar panels, and a private elevator serving the two main floors add convenience, while the 462-square-foot garage features a 400-amp electrical system ready for EV charging, high ceilings for car lifts, and plumbing for a secondary laundry and outdoor shower. Ideally located in Seal Beach, Orange Countyâ€™s northernmost coastal town, these homes offer convenient access to both Los Angeles and Orange County. Just

minutes from the 405 freeway, Seal Beach is adjacent to Huntington Harbor, Seal Beach Marina, Long Beach Harbor, and Long Beach Airport. Whether you're commuting, boating, or traveling, this location connects you seamlessly to it all - while still offering the charm, privacy, and walkability of a classic beach town.
