NA, Garden Grove,

Discover an exceptional investment opportunity with this spacious 4-plex in the heart of Garden Grove, offering a total of ~4,771 sq. ft. across four well-designed units. The property features a rare and highly functional mix: Unit A â€” a generous ~1,583 sq. ft., 3-bedroom, 2½-bath front unit with a private 2-car attached garage and drivewayâ€”an excellent option for an owner-occupant. Units B & C â€” two matching ~1,122 sq. ft., 2-bedroom, 1½-bath townhome-style units. Unit D â€” a ~944 sq. ft., 2-bedroom, 1-bath unit located above the garages.

Residents enjoy a well-rounded mix of amenities, including private balconies for three units, a patio off the living area of the front unit, a shared coin-operated laundry, and four garages with additional on-site parking. Each unit also features its own fireplace, adding a touch of warmth and characterâ€”an upgraded comfort rarely found in multi-unit properties of this size.

The parking layout also provides potential for additional income. Unit A benefits from its own attached 2-car garage with laundry hookups and a private driveway. Units B, C, and D each have an assigned garage space, and there is one additional garage currently used for storage by the owner that will be delivered vacant. Behind the building, four designated outdoor parking spaces are accessible from

the alley, offering abundant off-street parking in addition to street parking. The alley is shared with neighboring apartment buildings, with maintenance responsibilities shared among adjoining properties.

With a strong history of full occupancy, this income-producing 4-plex offers stability, growth potential, and a prime Garden Grove location.
