Welcome to this grand Traditional in Pasadena's sought after San Rafael neighborhood, a haven for those seeking a central yet quieter place to call home. That peace is especially true of this small U-shaped street of manicured residences.

Tucked away at the bend is this gorgeous two-story masterpiece with just the right blend of original preserved details within a tastefully updated five bedroom and five bath design. The formal entry opens to the grand formal living and dining rooms with rich hardwood flooring, fireplace, custom wood trim, and original double hung windows with views out over the large grounds. The library is a delightful surprise with more rich flooring, accent lighting, and artisan crafted bookshelves and trim. The remodeled kitchen was completed with the same taste and craftsmanship with a large center island, high end stainless appliances, dining area, and opens to the spacious family room. This main floor also has a guest suite and a jewel box guest powder room. Upstairs there are four bedrooms and three baths. The upstairs east hall leads to three spacious bedrooms and two baths. The primary suite enjoys its privacy to the west with a large primary bedroom with a large walk-in closet and an elegantly remodeled primary bath with a soaking tub, steam shower, dual sinks and sitting areas, and accented with Carrera and Marquina marble tiles. The grounds of this large parcel have been artfully landscaped and utilized.

The front enjoys a grass play yard and mature rose gardens. The rear grounds are enormous with a huge grass yard, a large covered patio, an outdoor kitchen with built-in appliances and a separate pizza oven, a gorgeous pool and spa, and privacy hedges on all sides.
