3 Bedroom, 2.00 Bathroom, 1,338 sqft
Residential on 0 Acres

N/A, Glendale,

This charming, traditional home is located in the middle of the ever-popular, throwback neighborhood, Sparr Heights, a home with heart cut outs in its shutters, a home ready for someone to write their next chapter in. Set on a sidewalk-lined street with historic street lights and surrounded by neighbors who look out for each other, this home is walking distance to an award-winning elementary school and to the Montrose shopping/dining area. The appealing front yard has a camphor tree, a magnolia tree and a flower bed surrounding the front of the house with lavender, an orange tree and white roses. Step inside and survey the efficient floor plan. The current owners have spent \$60,000 to ready this home for sale including fresh paint inside and out. The natural hardwood floors were refinished and recessed lights installed throughout eight years ago. Electric upgraded and house replumbed 16 years ago. The living room is bathed in natural light from a picture window that also offers a view of the nearby San Gabriel Mountains. The dining room has new stone pine vinyl flooring, plenty of windows and a ceiling fan. There is a breakfast bar island that joins the room with the kitchen. The kitchen includes plenty of cabinets, white tile counters, a double porcelain sink with gooseneck faucet, Magic Chef gas oven, 4-burner gas range with overhead fan and a new Hotpoint dishwasher. Off the kitchen is a laundry area and 1/4 bathroom. Finally, a bonus room, again with plenty of natural light. The primary bedroom

has windows on three sides, a large closet and a ceiling fan. The second bedroom has a closet and built-in bookshelves, perfect for an office, and the third bedroom has a ceiling fan, large closet and a picture window. The hallway bathroom has white tile with powder blue accents. There's a bath with shower overhead as well as a walk-in shower. There are two closets in the hallway. In the fully enclosed backyard is a swimming pool with jetted hot tub. There's a wood deck on which to lounge with a view of the Verdugo Hills. The 2-car garage has plenty of shelves and an upper storage area, also there's extra storage space behind the garage. This home was originally built to accommodate a wheelchair restricted person. This includes ramps out the doors, handicap access into the swimming pool and wide entryways inside the home. This quintessential American dream is ready to become your reality.

Built in 1939
